

End-User License Agreement (EULA) of BSPrinter

This End-User License Agreement ("EULA") is a legal agreement between you and Balkesoft

This EULA agreement governs your acquisition and use of our BSPrinter software ("Software") directly from Balkesoft or indirectly through a Balkesoft authorized reseller or distributor (a "Reseller").

Please read this EULA agreement carefully before completing the installation process and using the BSPrinter software. It provides a license to use the BSPrinter software and contains warranty information and liability disclaimers.

If you install the component for a free trial of the BSPrinter software, this EULA agreement will also govern that trial. By clicking "accept" or installing and/or using the BSPrinter component, you are confirming your acceptance of the Software and agreeing to become bound by the terms of this EULA agreement.

If you are entering into this EULA agreement on behalf of a company or other legal entity, you represent that you have the authority to bind such entity and its affiliates to these terms and conditions. If you do not have such authority or if you do not agree with the terms and conditions of this EULA agreement, do not install or use the Software, and you must not accept this EULA agreement.

This EULA agreement shall apply only to the Software supplied by Balkesoft herewith regardless of whether other software is referred to or described herein. The terms also apply to any Balkesoft updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items on delivery. If so, those terms apply.

License Grant

Balkesoft hereby grants you to use the component by as many developers of your organization as you purchased in the license. The license is non-transferable, non-exclusive. You can use the BSPrinter component on your devices in accordance with the terms of this EULA agreement.

You are permitted to load the BSPrinter component on devices under your control. You are responsible for ensuring your devices meet the minimum requirements of the BSPrinter software.

The use and distribution of the component with your applications is royalty-free.

You are not permitted to:

- Edit, alter, modify, adapt, or otherwise change the whole or any part of the Software nor decompile, disassemble or reverse engineer the Software or attempt to do any such things.
- Resell, lend, rent or donate to a third party the Software license.
- Allow any third party to use the Software license on your behalf if not included in the license purchased.
- Compile a program with the license on behalf of someone or a company not included in the license.
- Use the Software in any way which breaches any applicable local, national or international law.
- Use the Software for any purpose that is a breach of this EULA agreement.

Intellectual Property and Ownership

Balkesoft shall at all times retain ownership of the Software as originally downloaded by you and all subsequent downloads of the Software by you. The Software (and the copyright, and other intellectual property rights of whatever nature in the Software, including any modifications made thereto) are and shall remain the property of Balkesoft.

Balkesoft reserves the right to grant licences to use the Software to third parties.

Limitation of Liability

Notwithstanding any damages that You might incur, the entire liability of Balkesoft and any of its suppliers under any provision of this Agreement and your exclusive remedy for all of the foregoing shall be limited to the amount actually paid by You for the Software.

To the maximum extent permitted by applicable law, in no event shall Balkesoft or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits, loss of data or other information, for business interruption, for personal injury, loss of privacy arising out of or in any way related to the use of or inability to use the Software, third-party software and/or third-party hardware used with the Software, or otherwise in connection with any provision of this Agreement), even if Balkesoft or any supplier has been advised of the possibility of such damages and even if the remedy fails of its essential purpose.

Some states/jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to You.

Termination

This EULA agreement is effective from the date you first use the Software and shall continue until terminated. You may terminate it at any time upon written notice to Balkesoft.

It will also terminate immediately if you fail to comply with any term of this EULA agreement. Upon such termination, the licenses granted by this EULA agreement will immediately terminate and you agree to stop all access and use of the Software. The provisions that by their nature continue and survive will survive any termination of this EULA agreement.

Governing Law

This EULA agreement, and any dispute arising out of or in connection with this EULA agreement, shall be governed by and construed in accordance with the laws of United States of America, Europe and Argentina.
